Please take with you the below list of items to your nearest [Bloch store](#), where staff will assist in sizing and gathering the correct items for your daughters registered lessons. Our MLC School Dance uniform is currently registered to Miranda, York Street, Rouse Hill and Chatswood stores. Alternatively, items can be purchased [online](#) using the item codes below.

MLC School is a member of the Bloch Privilege loyalty program. Discuss this with a member of the Bloch staff to receive a discount on full price items.

Please note that dance uniform items are in their highest demand at the start of each year with the return to dance of many studios. We understand that due to unforeseen shipping delays, some items may require additional time and suggest that you order uniforms at your earliest convenience. If items are delayed, students should wear their sports uniform for their registered lessons.
